

'On Him we have set our hope, as you help us by your prayers.'

(2 Cor 1:10-11)

Prayer and Praise

1. We give thanks for all His blessings. As we slow down for the autumn/winter season (as we usually do!) we look back and are grateful for all that God has done these last few months. For missions, for training, for unexpected conversations.
2. Remember those who were contacted through mission; that they will grow in faith. And for those following up and supporting them.
3. Do continue to pray with us for **mission opportunities for 2024** and beyond, we give thanks there may be new and refreshed links on the horizon and we commit all into the Lord's hand for His guidance and leading.
4. Please continue to remember Tao as she is off work at the moment.
5. We asked last week for prayer for Rev Kina Robertshaw at Highley where David Robbins led a mission earlier this year. Praise God for answered prayer. Kina is now out of hospital and seems on the road to a full recovery. Please pray for continued healing and protection, she is desperately tired so please also pray she will rest and eat well too.
6. Please prayer for all the activities listed below in the diary, particular as we prepare for and hold the staff and trustee away on Sat 18 Nov.
7. David asks for your prayers as he leads a Remembrance service this Sunday at the church where our office is based, Sawston Free Church.

Mission facts!

TFM volunteers always wear distinctive, these days always blue, "Walk shirts" when on mission. We are expected to wear the walk shirts through out the day from breakfast to evening events, and they can get a bit sweaty. Life on mission can involve hand washing and drying walk shirts every other day!

While we wear the walk shirts, we are on active duty in the mission field, ready and prepared to give an answer to anyone who asks....
